

About Closing.com

Closing.com is the most **comprehensive source** for real estate services on the Web. The site **empowers consumers** and real estate professionals to find and compare real estate services in their **geographic area**. Visitors to the site can learn more about [home warranty companies](#), **estimate** their **closing costs**, evaluate a real estate provider's products, services and rates, and make **direct inquiries** online.

The site's [Learning Zone](#) provides useful tools, tips, articles and step-by-step guidance on closing a real estate transaction. The Closing*Talk* Community invites users to ask questions about **residential warranty services**, provide answers, and **share information** in real time.

[Closing.com](#) is owned and operated by ClosingCorp, an **independent** real estate information provider. The [company](#) does not own or endorse any company that is listed on Closing.com.
